

We're ready to earn your business

More than 125 years ago we started with core values that never go out of style: Listen, learn and help businesses reach their goals. That hasn't changed. You can expect our homegrown, highly experienced bankers to be focused on helping your business thrive. Our commitment to providing customized solutions and the sophisticated products our clients need is one reason Forbes magazine rated us one of the 50 most trustworthy financial institutions in the nation in 2014, while Bauer Financial recently gave us a 5-star rating.

As a full-service bank with more than 200 offices and nearly 2,000 highly skilled bankers, we're pleased to help clients in the Puget Sound region dream big and achieve more with services including:

- Commercial Banking • Commercial Real Estate & Multi-Family Lending • Personal Banking
- Small Business Banking • Residential Lending

Expertise and customized solutions support your success.

Whether your company is large or small, just starting out or well established, we're ready to earn your business. We deliver competitive pricing and fast decisions on traditional loans and lines of credit – usually within two to four days of completed application. Plus, we're an SBA Preferred Lender. To simplify your banking and improve your financial efficiency, we offer a full suite of treasury management tools and robust online business banking.
