

Heartland

**Drive your business—
and profits—with the right solutions.**

Your company's success is your accountability—delivering results, creating critical strategies and leading your teams. Heartland's is to manage your payment processing and payroll, allowing your business to run smoothly... with the best-in-class solutions that you need.

With Heartland, you benefit from:

Payment Processing

Rely on Heartland to process your debit and credit card transactions—quickly and securely—so you can take care of your customers. Our data security solution, Heartland Secure™, offers the highest level of protection available against card-present data fraud.

Payroll Solutions

Our customizable, all-inclusive payroll/HR solution features the only three-year price guarantee in the industry as well as a team of dedicated payroll specialists who understand your business.

Heartland Secure™

Heartland Secure is the most secure card processing solution in the industry, backed by a comprehensive breach warranty. Heartland uses EMV, end-to-end encryption and tokenization to protect your customers' credit card data.

CARD PROCESSING

Rely on one-stop credit card processing that gives you fully disclosed pricing, easy-to-read statements and next day access to funds. US based service center and True Visa/MC Interchange rates with no middleman reselling

Referral: Retail, Restaurant, Hotel, Automotive, Healthcare, Pharmacy, Business to Business

HEARTLAND CONNECT – recurring billing

Web based terminal that works just like card processing but allows for recurring billing. Excellent choice for Industries that allow their clients to make payments. Solves cash flow problems. You no longer have to keep confidential credit card numbers at your office or send out statements. Those set up for recurring billing will automatically have the funds withdrawal from their credit card or checking account.

Referral: Dentist, Orthodontics, Doctors, Rental Properties, Daycare, Golf Courses, Wholesale B2B

GIFT MARKETING

Grow your customer base by allowing neighboring business to do word-of-mouth marketing for you. We offer targeted loyalty programs that reward your customers with relevant offers, improve customer retention and increase your market share. This trackable marketing program is used by Tully's Coffee, Subway, Fandango, Red Robin, Dunkin Donuts and thousands of others.

Referral: Retail and Restaurant

e-COMMERCE SOLUTIONS

Offer your customers convenience of Web Shopping.

Referral: Retail business that also sells via a web site.

PAYROLL, Human Resources, Time & Attendance Solutions

There's a direct connection between payroll reliability and employee productivity. Heartland Payroll Services offers complete, customizable payroll processing and reporting, all-inclusive pricing guaranteed, U.S.-based payroll specialists, 100 percent web-based solutions for anytime, anywhere management, an easy-to-use employee self-service portal and a paperless solution with standard direct deposit. Tax specialists on staff who ensure processing and filing compliance.

Referral: Every business with employees has payroll.
